

# First Information Letter International Scoutcamp 2015

Dear scouts,

It's already been over 30 years since the first international scout camp has been held. During the summer of 2015, the 13<sup>th</sup> camp will be held in Delfzijl, the Netherlands. Organizing an international camp requires a lot of work, and therefore a staff has been assigned and the first meetings have been held. In this letter, we would like to inform you about the progress made so far.

## Location

The international scout camp was previously hosted by our scouting group in 1990, 1999 and 2007. In 2007, the camp site was held at a new location, but next year we will be returning to the location at which the camp was held in 1990 and 1999. This location is the Tuikwerderrak in Delfzijl.

## Theme

The theme of the IC2015 will be "Discover the world!". During the camp we will be accompanying Dutchy, a cute little scout on a quest to save the world from an evil professor. What the professors motives are, and if Dutchy can manage to save the world will remain a secret until the end of the camp.

## Activities

The staff has already started planning for an awesome camp next summer. Even though organization is far from finished, we already have some great ideas concerning the activities during the camp. As always, the camp will be packed with awesome, adventurous and relaxing activities, but on special request from our foreign participants, there will also be enough free time to go exploring with your group and of course go shopping for souvenirs.

We don't want to spoil everything, but for the camp you should be looking forward to a lot of games, a two day hike, sailing, visiting the beach and exploring the Dutch countryside. Of course we have also thought of activities aimed at senior scouts and scouts leaders.

LAAT JE  
UITDAGEN!

## Organization

As previous years, next year we are hoping to welcome new scout groups to our camp. We recently received confirmation from a scout group in Leer, Germany. They will be joining us in 2015. If you know of any other scout groups that might be interested in joining, please contact us!

In this stage of organization, it's important for us to get an idea how many participants will be joining our camp. Therefore, we would like for all participating groups to make an estimation of the number of people that will be joining our camp. We would like to get an estimation from you **before the 20<sup>th</sup> of December**. Please divide the number of participants into age groups ( cub-scouts 6-10, scouts 10-15, rover scouts 15-18 and senior scouts 18+ including leaders)

Some other things to know are:

- camp price: € 150,= (by mistake, the site has stated a price of 175,-. This is incorrect!)
- The official opening of the camp is at the 27<sup>th</sup> of July
- The closing ceremony of the camp is at the 5<sup>th</sup> of August.
- If you would like to come a day earlier or leave a day later to build up your campsite, please contact us.
- The camp is aimed at scouts in the age of 6 – 18, but there will also be activities for senior scouts (18+)
- You can expect the next information letter by February/March 2015. In that letter we will also be asking you for an exact number of participants and giving payment information.

All info (and more!) can also be found on our website [www.ic2015.scoutevents.nl](http://www.ic2015.scoutevents.nl), so don't forget to check it out!

We hope to see you all in the summer of 2015,

The organization of IC 2015,
